

Space Coast Monthly Meeting
Religious Society of Friends
Meeting for Business
September 19, 2010

Present: Tom and Marie Marcinkowski, Bargara Deppner, Lyn Cope, Gail Rogers

1. Meeting opened with a period of silence.
2. Friends discussed the Universalist Unitarian Friendship Fellowship (UUFF) request for a panel discussion on George Fox. Lyn can present a slide show, and others topics of interest. Tom noted an interest in the prison conditions at the time George Fox and others were imprisoned.
3. Tentative dates for meeting at the Universalist Unitarian Friendship Fellowship are: November 7 and 21, December 5 and 19, January 9 and 23rd, February 6 and 20. Contact will be made with other regular attenders by email regarding these dates before sending them for approval to the UUFF. The proposed date for the panel on George Fox is January 23.
4. The organizer of the Elder Learning World Religions program that meets at Brevard Community College approached the Meeting last spring about having a program on Quakers in the spring of 2011. The panel on George Fox could be a program for that group as well.
5. Tom reported that he heard from Don Garwood that his meeting Baltimore Yearly Meeting would not permit his request for dual membership there and in Space Coast Monthly Meeting. We offer Don our support in following his leadings in this matter.
6. Tom reported that the checking account has a \$605.30 balance before a contribution made today.
7. Friends have agreed to remain in their current roles as treasurer, clerk and recording clerk.
8. Meeting closed with a moment of silence.

Respectfully submitted,

Gail Rogers
