Regarding our apportionment commitment to SEYM we ask that Tom Marcincowski send that portion that will allow us to remain above the amount to avoid fees on our account to secretary of SEYM.

We were asked to name a representative in addition to the clerk to SEYM for contact.

Since SEYM is looking at having web service we agreed to wait on yearly meeting to act on a monthly meeting web site

The locations for meeting for worship until First Month's monthly meeting for worship and business will continue at Orlando Park through the summer.

The meeting ended after brief silence.
