

**Space Coast Monthly Meeting of the Religious Society of Friends  
Meeting for Worship with a Concern for Business**

4/14/02

Minutes

Present: Barbara Deppner, Jack Deppner, Lyn Cope Robinson, David Robinson, Gail Rogers, John Bash, Amy Bash, Catherine Bradshaw, Barry Felson, Tyler Felson

1. The following queries were read:

*Do your meetings give evidence that Friends come to them with hearts and minds prepared for communion with God?*

*Are they a source of strength and guidance for daily living?*

Those present expressed that they could come better prepared to meeting, and that meetings for worship are a source of strength and guidance for them.

2. News of Friends: Martha and Alan Robinson and family have moved this weekend. Alan has had surgery and is expected home soon. Seth Ascher will graduate from high school this year. Jenny is doing well in Tallahassee and attended Yearly Meeting.

3. Lyn and David reported that SEYM was a large gathering (213 with 41 children). Lyn facilitated a panel concerning Quaker education. FCUN (Friends Committee on Unity with Nature) was also represented. Progress was made on revising the Yearly Meeting's Faith and Practice. Lyn would like to discuss the issue of membership at next Meeting for Worship with a Concern for Business.

4. A letter has not gone out this year to members and attenders for contributions to the meeting. The apportionment for SEYM is now \$50 per member and attender. Our next contribution to SEYM should go out soon, and will be addressed in May. No treasurer's report today. Contributions should still be sent to Tom Marcinkowski.

5. Times for meeting for worship and meeting for worship with a concern for business will remain as they have been through April and May. Check website for additional information. There will be no business meetings in July and August unless there is need for one to be called.

6. Next meeting for worship for concern for business will include topics mentioned above, also a summer potluck and the treasurer's report.

7. Please continue to hold in the light those not able to come to meeting for worship, and those in the meeting facing challenges.

8. The meeting opened and closed with a period of silent worship.

Respectfully submitted,  
Gail Rogers
