

10/28/2001, called Meeting for Business

Regarding e-mail from the Clerk:

At last year's Nominating Committee, we agreed that we would convene a nominating committee each September for the following year. Because I have not attended meeting since June, I am unclear as to where we are in that process.

Because of family and personal pressures, I am unable to continue in the position of Clerk. I urge the meeting to appoint an Interim Clerk at November's Monthly Meeting and then proceed with the nomination process for next year.

It has been a privilege and honor to serve as Clerk of Space Coast Monthly meeting.

Peace

Larry

10/28/2001, called Meeting for Business

The six of us gathered for meeting 10/28 were saddened by Larry's decision to step down and wish his family well ...

We hold them in the Light.

Needing to determine the location of Meetings for the next month, after much soul searching, we were lead to meet the First FIRST DAY of any given month in the FIT class room in the woods recognizing that a presence on a college campus could provide some benefit. Of equal benefit would be including opportunity for camaraderie following Meeting by sharing coffee/tea/juice and nibbles to be brought by those attending.

Discussion followed of:

- 1) Rotating between homes on a 2-week basis (advantage being warmth with 'afters') with the 5th First Day remaining a potluck.
OR
- 2) Continuing to meet in the Orlando Park gazebo and bringing 'afters' to share; with the 5th First Day remaining a potluck.

Discussion also ensued about increasing shared meals to a monthly schedule with the St. Louis 'Quaker Dozens' or Columbus 'Quaker Eights' being a model (those numbers being the number that encourage intimacy/worship sharing).

Since 11/04 promises to be warm, we decided to start the "First FIRST DAYs at FIT" in December 2001-June 2002 (also giving us time to check with Tom). The remainder of November, we will meet at the Orlando Park gazebo with 'afters' being provided by those who attend.

This will be discussed further at Monthly Meeting for Business 11/11/2001. Please plan to attend. (Unfortunately at least one family will be out of town.)
